

Write for Trans Rights!

Print and write a postcard to express your support for the rights of trans, non-binary, gender diverse and gender non-conforming people right now. Whether you are part of our community or an ally, use your own words to talk about the action you want to see the government take to protect the human rights of trans people. You might want to talk about:

- A ban on all conversion practices
- Trans-inclusion in single sex spaces
- Protection for LGBTQ+ asylum seekers and refugees
- Improving access to healthcare for trans people
- Legal gender recognition including for non-binary people
- Trans-inclusion in sport

Use the addressed card to send your message to the Prime Minister and use the second card to send a copy to your MP!
