Supporting LGBTQ+ Youth

The Kite Trust supports LGBTQ+ young people up to age 30, and their families, across Cambridgeshire and Peterborough. We provide spaces for young people to make friends, be themselves, and have fun.

The Kite Trust also offers support for schools and families, and training for organisations, to create an inclusive local community.

If you are yourself, or are supporting, a young person, and would like support around gender or sexuality, get in touch using the details below.
